## Program Details

To promote MSME Sector, Indian Government already has taken many steps, including giving many incentives and subsidies to encourage youth or people from backward class to generate business so as to be job creator than job seeker. Several schemes, assistance and many benefits are being provided to entrepreneurs through different ministries. This is an effort to consolidate GOI schemes to support MSME Sector in a residential training programme.

Programme is developed so as to facilitate members to take best advantage of the schemes. This would give them encouragement, enhancement and handholding resulting in improving productivity of the enterprises. Better understanding of the schemes will allow better implementation thus improved outcome.
